

SIBS Group!

What did we do?

We enjoyed our last SIBS group of this academic year and it was lovely to welcome a new child to the group!

We played 'Bippity Boppity Boo' a fun and fast thinking name learning game- the children beat the adults every time! We also played our spiders web game to see all the things we have in common, such as liking pizza, playing Minecraft and having a brother or sister with SEN.

We also 'aired our dirty laundry', involving writing something on a

piece of laundry to express a feeling or experience we've had in relation to our siblings. We talked about how difficult it can be at times and thought about how to make ourselves feel better.

We each had a go at using the different exercise machines to burn off some energy; and then we practiced some yoga poses and muscle relaxation for our calm time.

We hope you all have a lovely summer holiday and hope to see you at SIBS group next term! :)

16th July 2017

We wrote our feelings down on our laundry and hung it on the line.

We had a fun break playing in the playground and letting out our energy!
